

Our Mission...

We are committed to delivering quality, affordable housing where individuals and families can live, work & thrive.

About CHAD....

Established in 1983, CHAD is a 501 (c)3 nonprofit corporation that is the largest nonprofit supplier of quality, affordable, long-term rental housing in over 30 communities serving DuPage, Kane, Will and Cook counties. By providing affordable housing in one of the highest per capita income areas in the state.

CHAD offers hard working individuals and families, who are struggling to support themselves, hope for a better future where they can be closer to where they work and benefit from the excellent school systems and community resources. The organization owns leases and manages over 400 housing units, that represent a range of affordable housing opportunities, including single family homes, duplexes, townhomes and apartments.

CHAD offers below market rents to income qualified applicants, who earn less than 80% of the area median income, saving them more than \$780,000 annually. CHAD currently provides housing to more than 1,100 residents.

CHAD relies on grants, public and private donations, and corporate contributions and sponsorships to fund the operating gap between the below market rental income generated by way of reduced rental rates and the rising costs of maintaining its housing inventory.
